SINCE MORE THAN 20 YEARS, THE VETEDY GROUP HAS SPECIALISED IN THE PRODUCTION AND DISTRIBUTION OF EXOTIC TIMBERS, BOTH FOR OUTDOOR AND INDOOR

EXOTIC. EXQUISITE. EXCLUSIVE.

Vetedy Group has grown at an incredible rate thanks mainly to its revolutionary Softline® system which enables exterior decking to be fitted with no visible screw or oxidation.

Vetedy is an international group located in Luxembourg, Belgium, Cameroon and Indonesia and is represented the world over by its network of distributors.

Vetedy's Indonesian branch has been created in 2010 to supply the Indonesian market. Thanks to the mother company's experience, it could directly place itself among the best companies active on the flooring and decking market. Indeed, VETEDY INDONESIA had the chance to benefit from the knowledge and the international reputation of Vetedy Group and due to its long and profitable experience, it has already provided some long committed answer to often raised questions.

BECAUSE WE BLEND INDONESIAN STYLE AND EUROPEAN STANDARDS WITH SUCCESS
